ABOUT ACTS

WE ARE A GLOBAL NETWORK OF ACTION SPORTS MINISTRY LEADERS COMMITTED TO THE FOLLOWING 4 OBJECTIVES;

GATHERING PEOPLE

We believe there is value in building relationships and getting to see and hear how others are leading. Through regional and global summits, the ACTS Network is working to gather and connect leaders from around the world.

VALIDATING CALLINGS

The action sports community is continuing to grow and expand globally. The need for Christ within this world is very present. Through the ACTS Network we hope to help you identify and validate the calling that God has placed on your life.

SHARING RESOURCES

One of the core goals of the network is sharing resources. This comes in many ways; from wisdom and knowledge, to sharing experiences, to creating awareness of physical resources that can be used to support the work that others are leading through the network.

GROWING LEADERS

Our hope is to continue equipping and empowering the next generation of leaders.

GLOBAL SUMMIT VISION

Our hope in gathering leaders globally bi-annually is to provide a space for fellowship, encouragement, and relationship building. We believe that in coming together we can learn from one another, trust can be cultivated, and resources can be shared. Through quality time and intentional conversations, our goal is to curate an environment for vulnerability and transparency while opportunities to cultivate conversations and learn from one another. These primary topics include;

Looking Back

- What has God done?
- ACTS history, purpose, and individual reports of the past 2 years.

Looking Around

- What is God doing?
- SWOT analysis, current issues, trends.

Looking Forward

- What are we praying/hoping God will do?
- Future needs, potential collaboration, nations and sports priorities.

DAY 1	DAY 2	DAY 3
Sharing the history, vision, and hope of the ACTS network. Taking turns sharing personal stories /testimonies.	What is currently happening in the world of action sports? Current relevant topics/issues?	What do we hope will happen in the future? Dreams? What are you/your org praying for?
Taking time to get to know one another. Providing space to share about the ministries/orgs that we represent.	How should we as leaders within that community respond? What are issues we're currently facing?	What does the future have in store? What can we be expecting or preparing for? Share ACTS resources and opportunities.
Facilitating conversations to share what God has done in our lives personally and through our ministries. What has God in the world of action sports? How did you get here?	Key leaders/areas that we need to focus on? What are we doing as a ministry/org? What have you seen work/not work? What are your biggest needs/struggles currently?	Create a plan. Exchange contact info. Plan on continuing to learn from one another. Who can you partner with and who is someone God is calling you to serve?
